

STREETVENDOR: TOWN FRESH FRUITS AND VEGETABLES

TAMORI
TODORI
IS THE
JAPANESE
VERSION FOR
TOKYO
UNIVERSITY
AND
IS ALSO A
JAPANESE
SLANG.

Why did you lie — because of you...

It's not all right at all.

I was always watching you.

Well, you peeked anyway and everything turned out all right.

That's not a good answer.

Sorry. I didn't mean to lie about the Tokyo University thing.

It is not all right!!

No matter how much I tried, I couldn't hold back my feelings anymore.

I was always watching Sae-chan.

There are other methods!! That was a crime!!

Even for kids, just say "I love it to you"

Go I just had to become your home tutor!!

Also here,
give these
to your
mother as
thanks for
the meal.

Well, just
forget all
those
painful
memories
from your
youth,
okay?

any
other
way.

There...
wasn't

Sorry,
it's a
sachet.

I can't
do
that.

If there's
something
you want to
say, just
say it.

Or is
Sense
going to
have to
teach you
again.

Whose
fault is
this...

I'm not
normal
anymore...

Am...
Yes

I want
to see
you do it

Suburban,
can you
save that?

that has
plenty of
sex appeal.

The
way you're
saying it is
slow. Do this
part like this

U...
Um...

That's
too
slow.

H...her
boobs are
completely
touching me.

It's
SHOCKING
♥

How I
treat
other
students
is

SH?P
Do what?

Sensei,
do you do
this kind
of thing
with other
students?

No,
I want to
stop
doing this
with a boy
would be
dangerous in
a lot of
ways...

That's
not what I
...

I
don't
want
it

Fufu,
what is it?
Are you inter-
ested in other
students I
teach?

I guess
it's no
good if
you have
a flap
chest.

Why does it
feel like it
shouldn't
be there?

You don't
feel anything
when I do
this?

Well,
maybe it is
annoyed

Yeah, I
don't like

So why are
you sticking
to me
today?

I know
you
and a
little
better
than
me

Before
this
girl is
totally
my
type

Since I
don't have the
courage to
tell her my
feelings now

help me
with that?

would
Senpai

Oh my,
thank you
very much.
Sorry for all
the trouble.

Senpai,
just
wait.

We got
these just
before my
exam this
morning,
so I must
and take
some

A moment
at 1000
Crest
in.

Also...

Well I don't see him after
even school anymore.

That's
too slow.
Go it
sooner!

You're
confessing
after you
graduate?

Times are
different
and
you're in
college.

I've
got
it.

I still don't
have the
courage ..

do some
raunchy
things with
me then?

Do you
want to

Okay?

I probably
know from
the begin-
ning

that
things
would
get like
this.

Something
special

to overcome
what's
holding you
back.

From
the
begin-
ning...

I will never
forget for the
rest of my
life.

But what I
did with her
on that day...
